DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, APRIL 29, 1948

VOL. 45, NUMBER 13

MAY DAY PARADE SLATED SUNDAY

REORGANIZED COUNCIL ENDORSES PROPOSED ANNEXATION PROGRAM

New Committees Are Named By Mayor Gaggero

Four official resolutions—concerning street work, boulevard traffic, annexation and property acquisition—were passed by the reorganized city council Tuesday night at its first regular session since the April 13 election.

With Mayor Anthony Gaggero in the chair, the council reallocated its promised program of civic action. The council chamber was half-filled with spectators—apparently in response to repeated invitations by the new electees and others for better attendance at the open council meetings.

First resolution awarded the sale of bonds for improvements to Woodrow Street to Edward H. Durkee of San Mateo, secretary of the Peninsula Acceptance Corporation. Another authorized the erection of boulevard stop signs at these locations:

On Roosevelt at Winchester Street; Washington Street at San Pedro Road; Santa Cruz Avenue at Hillcrest Drive; Mission Circle at Bepler Street; Mission Circle at Vendome Avenue; Northeast corner of Knowles Avenue at San Diego Avenue; Northeast corner of Los Banos Street at San Diego Avenue.

The council declared its intention to vacate portions of Edgemoor Street, on the southeast side of Daly City, in a resolution setting 8 p.m. May 24 as the time for public hearing on the matter. The portion in question was described as "unnecessary for present or prospective public street purposes."

A move which was seen to preclude possible widespread annexation measures in the near future was the council's endorsement of a resolution giving notice of proposed annexation of portions of the Abbey Homestead. The section involved is adjacent to Annexation No. 4 on the eastern boundary of the city. Hearing was set for Monday, May 10, in the council chamber.

In other actions at its Tuesday night session, the city council: Received a supplemental project statement from the Division of Highways budgeting all remaining highway funds available—in the amount of \$82,093.28—for acquisition of a right-of-way at Junipero Serra Boulevard and Highway 56, under the city's Memorandum of Agreement for state highways.

Received a request from the Board of Commissioners, that a survey be made to increase fire protection facilities on Junipero Serra Boulevard between Westlake and School Streets.

Authorized a study of local post office facilities, on the suggestion of Julius F. Castellan, speaking from the floor, and:

Granted permission to the U.S. Marines to conduct a temporary recruiting station in the city hall basement.

The reappointment of committee duties, as submitted by Mayor Gaggero, was as follows:

Police—Mooney, Green, Bertetta; Fire—Bertetta, Battye, Green; Finance—Green, Gaggero, Mooney; Health—Battye, Mooney, Bertetta; Streets and Utilities—Gaggero, Green, Mooney; Ordinance—Green, Gaggero, Bertetta; Library—Battye, Gaggero, Bertetta; Transportation—Bertetta, Mooney, Battye, Gaggero; Annexation—all members; Parks and Recreation—all members, Ann Eason, R. L. Crane, Stanford Hannah, Mazie Boyle (and others to be appointed); Building and Planning—Mooney, Green, Bertetta.

Need Additional Workers For D.C. Concert Assn.

The Daly City Community Concert Association's membership drive, slated for May 17-22, is expected to bring to the north county this year famous internationally known stars of opera, stage, theatre and radio, in person.

Daly City, Colma, Garden Village and Broadmoor Villages, in a combined effort to establish an annual concert season here, will bring into their midst four or more outstanding entertainment celebrities in concert at Jefferson High School auditorium.

Under the leadership of a group of civic-minded business men and

Three Pay Fines In Traffic Court

Two men were fined for drunkenness in and about automobiles and one was penalized for drunk driving last Friday by Judge William J. Sweeney in municipal court.

William Patrick McKenzie, 1010 Powhattan Street, San Francisco, was fined \$50 when he pleaded guilty to the lesser charge. McKenzie was arrested April 15 by Sergeant Rico Benedetti, Officer David Johnstone and Officer Charles Munday after he had run over a mail box near the Mission Auto Court.

Rodney Hochstrasser, of 7 Partidge Lane, also pleaded guilty to a charge of drunkenness, and was fined \$25. Hochstrasser was arrested April 17 by Officers James Welsh and David Johnstone while sitting in a car parked on Bellevue Avenue.

Judge Sweeney levied a \$125 fine on Franklin Pearce Brooks, of San Francisco, on a guilty plea. His license was revoked for 90 days.

Brooks was arrested April 16 by Sergeant Roy Beecher and Officer John Walsh while driving "erratically and under the influence of intoxicating liquor" on Highway 1.

Many Applications Received Already For School Post

Approximately 15 applications for the post of Jefferson School District superintendent have been received by the board of trustees, Chairman Andrew Van der Werf announced this week.

Van der Werf and Fred Bertetta, only two remaining board members since the resignation of Mrs. Neil Dorrance last week, said today a new superintendent would be chosen from among the applicants in the near future.

Meanwhile, the county school superintendent's office today said no appointments would be made to fill Mrs. Dorrance's vacated post until after the May 21 election.

After that time, the office said, Miss Paney Jewett Abbott, county superintendent, would consult Board Member Fred Bertetta and the electee before making the appointment.

Mrs. Carol Freeland, local P.T.A. member, has received larger recommendations so far than any other suggested appointee, according to Miss Abbott.

State Recreation Expert To Visit Daly City Soon

A representative of the state recreation department will be available soon for consultation on recreation needs in Daly City, according to announcement Tuesday night by Elman Rose, recreation director.

Rose told the recreation commission, meeting in regular session, that a state recreation expert would visit the city soon, in response to his request of nearly a year ago. Preliminary budget for fiscal 1948-49, he said, will be compiled after the state representative has made an analysis of recreation needs here and submitted recommendations.

The commission meeting was devoted principally to a statement of the current program in effect, with emphasis on Sunday's May Day Festival. The group also accepted the resignations of Mrs. Neil Dorrance and George Wheeler, former commission members.

John Ivan, representative of the San Mateo County YMCA, was introduced to the commission by Erich Diebel, volunteer instructor at the central "Y" in San Francisco and a resident of Daly City. Ivan spoke on the procedure of YMCA organization.

housewives, the Daly City Community Concert Association will open a one-week drive to obtain a membership of at least 800 persons. Each membership will cost \$6 and will entitle the holder to all the concerts presented by the association. There will be no single admissions sold.

The concert association is directed by a committee headed by El-

Firemen's Ball Slated May 22 At High School

The 1948 annual Fireman's Ball, sponsored by the Daly City Fire Department to benefit the Widows' and Orphans' Fund, is scheduled for Saturday, May 22, in the Jeff High auditorium.

Music will be provided by Phil Bovero and his National Broadcasting Company orchestra. Tickets may be purchased from all local firemen as well as at the door.

Major proceeds from the affair—a yearly event which attracts hundreds of townspeople for a night of fun—go directly into the Widows' and Orphans' Association treasury, to aid distressed widows and orphans of deceased firemen. A small portion is used for individual insurance policies for members of the department.

Both the association and the insurance benefits have been organized by the firemen to protect their members in case of casualty.

Movie Stars To Appear Here In Memorial Tourney

Memorial Day, May 31, will have a double meaning for golf fans of Daly City and the rest of northern California.

On that day, enthusiasts of the walking sport from all over the state will assemble on the greens at Lake Merced Golf Course to witness an exhibition match in memory of Benny Coltrin, deceased golf pro.

Bing Crosby, whose talents on the golf course need no verification here, will be principal sponsor of the event—along with other northern California friends of the late Coltrin.

Designed to raise funds for the education of the three Coltrin children, who reside now in Garden Village, Colma, the exhibition will be staged by an imposing list of motion picture stars and west coast golf professionals.

The committee handling arrangements for the affair include Crosby, chairman; Peter J. Markovitch, Billy Hoelle, San Francisco's well-known aviator; Dr. Robert Thompson, Harry Wallach, jr., George McCrae, Duke Detoy, all of San Francisco, and Biff Hoffman, Stanford University pigskin star.

All were close friends of the former local golf pro, who died in March at Ann Arbor, Michigan, after an experimental operation. Coltrin, brother of the late Bobby Coltrin, scout for the New York Yankees, spent the last 14 years of his career as pro at the Lake Merced Golf Club here. One of the country's foremost sports figures during the 1930's, he was tutor for most of the present day west coast amateurs. When he died, Coltrin left a widow and three children.

Tickets to the attraction, priced at \$1 plus tax, are on sale now at the Markovich insurance office in Daly City, at Roos' Brothers, at the 19th hole driving range on Junipero Serra Boulevard, at Harding Fairways, near Fleishhackers, at Sherman and Clay and at all northern California golf clubs.

Special Meetings Held Currently At Nazarene Church

Wednesday, April 28, was the opening day of special meetings being held at the Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues. Reverend Peter G. Wolpe, Italian accordionist, singer and gospel preacher, has charge of the meetings every night (except Saturday) until Sunday, May 9.

On the evening of Friday, May 7, Pietro Volpi (Italian for Peter Wolpe) will tell his life story—a story which should be of interest to young and old. The meetings, which start at 7:45 p.m., are open to the public. Everyone is invited to attend and enjoy the special music, singing, and gospel messages.

Mrs. Rose Watson Leaves Next Week For Vacation In Boston

Mrs. Rose Watson, who will leave Daly City next week for a long-delayed visit to Boston, was presented with a set of traveling bags Monday night by fellow members of Hillcrest Circle, United Ancient Order of Druids.

Mrs. Watson also is making tentative plans for a trip to her native England in the fall.

ARLENE ANDERSON IS MAY DAY QUEEN

Arlene Anderson, who will reign as queen over the May Day Festival Sunday, poses with her ladies-in-waiting. All are garbed in their new pastel court gowns. In the top row are pictured Nancy Gillam, Queen Arlene, and Donna Cormack. Sandra Shaughnessy and Maureen McGraw are shown in the bottom row.

Speeders Fined In Muni Court

Speeding was the traffic offense most perpetrated in Daly City last week according to fines collected in municipal court.

These persons paid fines for speeding:

Charles Anderson, Monroe Dietrichsen, Sal Domino, Reginald Lowry, John Munson, Philip Reiss, Elizabeth Scott, Louis Siegle, Dale Shoff, Howard Taylor, Chester Tracy and Mary Warren.

Alfred Averill, Frank Battarini, Elroy Lehman, Frances Luksetich, and John Reynolds paid fines for violation of signal ordinances, and parking fines were collected from J. W. Hamilton, Fred Jones, Pacific Manufacturing company, Blumenfeld theatres, and John Sciarra.

Mothersingers Present Program At H.S. Event

The Jefferson School District Mothersingers, a recently organized group of music-minded Parent Teacher Association members, presented the largest program of its career Tuesday night at Jefferson High School's annual Public Schools Week celebration.

Under the direction of Mrs. E. B. Ochander, the parent group rendered three selections, including "In the Luxembourg Gardens," by Kathleen Manning; "The Glory of God in Nature," by Ludwig von Beethoven, and a choral arrangement of "Morning," from Edward Grieg's Peer Gynt suite. Mrs. Ethel Gray was principal accompanist, assisted by Mrs. Mary Luffenberger.

Mrs. Carol Freeland, Mrs. Velma King and Mrs. Ethel Gray sang in the "Morning" presentation.

Members of the choir are Mesdames Carol Freeland, Marie Miller, Frieda Cady, Alice Stevenson and Lena Banfield, sopranos; Mesdames Eve Hobbs, Velma King, Fern Brannon and Edith Anderson, mezzo-sopranos, and Mesdames Frances Hausler, Edna Hyers, Lee Stura, Margit Hermonson and Mary Luffenberger, contraltos.

Crocker P.T.A. Formulates Final Plans For Fete

Final plans for the forthcoming installation ceremony and the teachers luncheon were made Tuesday when the Crocker Parent Teacher Association met at Mrs. Lilly Cavagnaro's home.

Announcement also was made of the open house Public Schools Week celebration slated for today, April 29, at the school.

Mrs. Ann Ingersoll, health chairman, was commissioned to attend an informal dinner for Dr. Harold D. Chope, new county health director, at the Benjamin Franklin Hotel in San Mateo next Monday evening.

Ocean View Church To Recognize Officers At Sunday Services

Twenty-six new church officers of the Ocean View Congregational Community Church will be recognized and dedicated Sunday at 11 a.m. worship services.

The worship hour also will occasion a thanksgiving for the completion of the social hall renovation by men of the parish.

A cordial invitation to all members of the community has been extended by the Rev. Joseph Bennett, pastor, to attend Sunday services. A nursery is provided for small children during worship hour.

Sunday school for all age groups is held at 9:45 a.m.

Girl Scouts Plan To Make Gifts For Mothers

Girl Scouts of Troop 2 made plans for the Mothers Day gifts they will make when they met last week after school.

After the short business meeting, Rose Eling presented her e r qualifications for the cook badge. Half the meeting time was spent playing jump rope, and Patrol 1 closed the session with songs.

Dr. Carl L. Hoag Elected To Head County Blood Bank

Dr. Carl L. Hoag, prominent San Mateo surgeon, has been re-elected president of the San Mateo County Blood Bank. Also re-elected to office at the annual meeting held on Saturday afternoon in blood bank headquarters at 25 south El Camino Real, San Mateo, were U. S. Simonds, jr., vice president, Mrs. Paul J. Hanzlik, secretary-treasurer and Dr. James F. Rinehart and Charles S. Sullivan to two year terms on the directorate.

During the war, 70 percent of the bank's output went to the armed forces. At present, the bank is doing a volume of work equal to that of the high mark of wartime. Now civilian demands absorb the output, due to the great increase of county population and the ever growing usage of transfusions by physicians and surgeons.

So great is the increased demand that the blood bank has had to return to wartime schedule of hours for donors.

Women's Civic Club Aids Cancer Drive

A donation to the American Cancer Society was allocated last Thursday by the Women's Civic Club at its meeting at Mrs. Martha Linden's Niantic Avenue home.

The meeting, presided over by Mrs. Margaret Fields, was followed by an hour of games and refreshments.

The club's next session is slated for May 20 at the home of Mrs. Julia Byrne, 448 Irvington Street.

Five File For H.S. Board; Two For Elementary

Five candidates for two available seats on the Jefferson Union High School board of trustees will run for office in the May 21 school board election.

Candidates include the two incumbents, Mrs. Pearl M. Jones and E. A. Weisenburger, as well as Joseph S. Millett, local building contractor; Julius F. Castellan, recent council candidate, and Thomas J. Callan, sr., retired real estate broker.

Meanwhile, two men had filed for the single available post on the elementary school board. Andrew Van der Werf, incumbent board chairman, filed his candidacy just before deadline. The Record erroneously reported last week that Abe Gensil, Daly City electronic equipment salesman, was the only candidate.

Kathleen Day, Doris Vernengo Win Drum Honors

Two outstanding members of El Carmelo Parlor, N.D.G.W. drum corps, who will march with the group Sunday in the May Festival Parade, won distinction last Saturday night in a drumming competition sponsored by Twin Peaks Parlor, N.S.G.W.

Doris Vernengo, of 398 Bellevue Avenue, and Kathleen Day, 401 Willis Street, placed first in the duet contest, competing with four sets of men including their drum instructor, Frank Quadros.

Miss Day also placed first in the singles competition, while Miss Vernengo took second place. Both girls had been practicing steadily, they said, for three months.

The girls wore the standard uniform of their drum corps—attractive white satin blouses, green slacks and white satin sashes.

The competition was held at Scottish Rite Auditorium.

Three Residents Leave This Week On Italy Trips

Mr. and Mrs. Pasquale Stanghellini, of 151 Mateo Avenue, will be included in a group of 37 northern California Italian-Americans to depart from San Francisco airport Saturday, May 1, in what airline officials believe is the largest California-Italy aerial tour on record.

The Daly City pair and their companions will board a Transcontinental World Airways Constellation Saturday afternoon for New York, and will leave LaGuardia Field again at 10 a.m. Monday morning to arrive in Rome Tuesday night.

Scheduled to arrive in Italy today is Salvatore Torrono, of 413 Santa Barbara Avenue, who left by plane Monday afternoon. Torrono, who is traveling alone, expects to remain in his native land for about two months, visiting relatives and friends there.

BANDS - FLOATS - CARS AND MARCHING UNITS PLAN TO PERFORM

Thousands of Daly Cityans, from babes-in-arms to grandpas, will assemble in droves along Mission street this Sunday to witness the largest, most spectacular parade ever to traverse the avenues of this town.

Seven divisions of marching units, floats, mounted corps, decorated cars, bands and single entries, all decked in colorful regalia, will form a procession through the center of town in a display never excelled in variety or size.

The parade, scheduled to begin at 12:30 p.m. at the Mission-Brunswick street intersection, will proceed along Mission street to School street where it will turn west; then north again on Station to enter the high school grounds for the afternoon's May Day Festival program beginning at 2 p.m.

Concessions sponsored by a joint committee of Parent Teacher Associations will sell such snacks as hot dogs, soft drinks and candy before and during the program. Boy Scouts and Sea Scouts, Our Lady of Perpetual Help traffic squads and Girl Scouts will assist the fire and police departments with traffic control and ushering duties.

Mission Auto Court Robbed

Theft of \$154 from the office of the Mission Auto Court was reported to Daly City police early Monday morning by Fred Parker, auto court clerk.

Parker told police he was held up and robbed by two men who entered the office to rent a cabin.

Taking approximately \$154 from the office cash register, Parker stated, the men ordered him into a back room where they bound his wrists behind his back with adhesive tape.

The clerk told police he escaped from the office by backing up to the door. He ran to the cabin of a tenant who unbound his wrists, and then phoned the police station.

Legion Auxiliary To Sponsor Whist

A whist party and game evening will be held next Wednesday evening in the American Legion Hall, 474 San Diego Avenue. Sponsored by the American Legion Auxiliary, the party is scheduled for 8:30 p.m. promptly. The public has been invited to attend. Mrs. Leslie Hansen and Mrs. Vivian Pahlka, president, are in charge of the affair.

Five Daly City members were delegates to a recent luncheon given by the 26th district to honor Mrs. Lee Hutton, national president. The luncheon was held in the Gold Room of the Fairmont Hotel. Delegates were Mrs. Rose Gjorn, president; Mrs. Marge Gjorn, Mrs. Leslie Hansen, Mrs. Vivian Pahlka and Mrs. Ann Welch.

Scout Council Gets New Station Wagon Wednesday

A new station wagon with capacity for 10 passengers was received Tuesday by the Federation of Northern San Mateo County Girl Scout council, after months of waiting for delivery of the vehicle.

The wagon, scout green in color with the gold and green insignia on its doors, was delivered finally through the cooperation of the Ingold Motor company, the council said today. It will be employed for use in Daly City, Colma, Bayshore, Millbrae and San Bruno.

Preparations for Girl Scout day festival in the coming May Day Festival were completed last week in a leaders' meeting at Mrs. Dorothy Kramer's home and in a meeting of the board of directors.

The leaders voted allocations to a girls' summer campship and to the scout day camp. Women present at the leaders' meeting were Mesdames Hilda Heagney, Ethel Proschold, Marge Calvin, Bessie Runge, Irene Cripps, Ruth Emerson, Edith Anderson, Edna Mullen, Wanda Michelson, Madeline Anderson, Muriel Pabst, Pearl Bragden and Maude Brunette.

Directors who met last Wednesday were Francis Windhurst, Marjorie Readeau, Ida Hanley, Hilda Heagney, Mary Crane, Jane Detweiler, Ethel Proschold, Louise Eliason, Marge Calvin and Marie Miller.

Highlight of the brilliant program of presentations will be a coronation procession, for the crowning of Queen Arlene. Mayor Anthony Gaggero will perform the honors, and a hundred dancing girls will make up her court.

Prizes for outstanding parade entries will be awarded at the close of the program, along with the presentation of the city's trophy from San Francisco's St. Patrick's Day committee and of the Colma Boys' Club trophy awarded by the Recreation Department.

The program, as released this week by Bonnie Carroll, chairman, will include:

Daly City Band selections; Flag-raising by American Legion Post No. 410 and Boy Scouts; Star-Spangled Banner, led by Daly City Band and JUHS Band; Coronation procession and crowning of the queen; May Pole Dance, Daly City Dancing School, Ellen Stone's Dancing School and Girl Scouts; Grammar School rhythm bands, conducted by Mrs. Vint; National Institute of Music and Art, conducted by Mr. Wexler; Ballet, Ellen Stone Dancing School; School Dances (clog tap), and Three Black Crows, Daly City Dance Studio; Folk Dance, Girl Scouts; What Size Grapefruit Do You Wear? Daly City Dance Studio; Grammar School Orchestra and Chorus, Mrs. Vint; Rope Clog, Ellen Stone Dance Studio; Folk Dance, Girl Scouts; The Wooden Soldiers, Daly City Dance Studio; Irish Tap, Ellen Stone Dance Studio; Haywire Band, Eagles Lodge, Acrobatic Specialty and Samba Tap, Daly City Dance Studio; Tyrolers, San Bruno Folk Dancers; Loyola Drill Team; P.T.A. Mothersingers; Daly City Band selections, and presentation of awards.

August Zipse, grand marshal of the parade, will ride at the head of the procession immediately behind the police department's motorcycle escort. Official cars of the city, bearing the city council and department officials as well as a visiting dignitary, Assemblyman Richard Dolwig, will be followed by the fire department's entry.

William Kennedy, deputy marshal, will lead the first parade division behind the lead. It will include the Sheriff's Posse, Daly City Band, Recreation Department car, Girl Scouts, American Legion Post No. 410 and Boy Scouts; Daly City Cub Scouts, Brisbane Girl and Boy Scouts, Sea Scouts, and Daly City, Colma and Bayshore Girl Scouts.

Hal Willis, at the head of the second division, will lead the Jefferson High band, Junior Native Daughters, Job's Daughters Bethel 26, Job's Daughters Bethel 37, Epiphany Parish Scouts, Brisbane Rangers, Colma Boys' Club and Broadmoor Boys' Club.

Deputy Marshal Aldo Arnaudo will ride at the head of division three, followed by St. Phillips School entries, Jefferson Elementary School district, Our Lady of Perpetual Help, Epiphany Club Scouts, Woodrow Wilson P.T.A. and Ellen Stone's Dancing School.

The fourth division, headed by Deputy Thomas J. Laramie, will include El Carmelo Parlor, NDGW, Bill Sheridan Council, YMI, Gabriel Council, YLI, Loyola Council, YLI, Swiss Girls' Drum Corps, American Legion Post No. 410 and Auxiliary, VFW Auxiliary No. 2004, Matoka Council of Pochon-tas, Royal Neighbors Camp No. 60, and Rod and Gun Club.

Deputy Arnold Panella will lead the fifth division, which will include Mission Parlor, NSGW, Dolores Parlor, NDGW, Guadalupe

AFTER VICTORY—WHAT?

The thumping defeat handed the Communists in Italy has temporarily relieved much of the pressure on the Western nations. If Moscow's minions had been placed in power by popular vote, Stalin would then have reached a long sought goal — the Mediterranean. At the same time Greece and Turkey would have been outflanked on the battlefield of the cold war and our whole strategy would have had to be revised.

The Italian test has proved once again that the Communists cannot win a free election. It has given the democratic elements new courage and strength and has weakened the prestige of Soviet stooges not only in Italy but in other Western nations. But the election did not settle anything permanently. The Communists are still to be dealt with. They never give up. They can be counted on to continue doing all they can to embarrass and to harass the De Gasperi government.

The election didn't solve Italy's stupendous economic problems, either. It will take Herculean efforts on the part of the people, together with all possible aid from America to improve conditions appreciably. The question is whether or not sufficient progress can be made to still the existing social unrest, or, at least, prevent it from becoming more acute.

In the final analysis, the election victory was but one step which Italy must travel on the long road to recovery.

GOP CONVENTION

With Governor Dwight Green of Illinois and House Speaker Joe Martin selected as the temporary and permanent chairmen, respectively, for the convention in June, the Republicans are all set for the big occasion. Convention talk centers chiefly around such figures as Dewey, Stassen, Taft and Vandenberg. But there are four other men not so frequently mentioned who are expected to play a big role back of the scenes where the nominee is really chosen. This quartet is made up of Governors Warren of California, Driscoll of New Jersey, Duff of Pennsylvania and Green of Illinois. Between them they control 217 of the approximately 1,000 nominating votes. Their support will be eagerly sought by the leading contenders. Governor Warren, of course, is an avowed candidate, but if it becomes apparent that he has no chance of winning, the 53 California votes will go to someone else. In 1932, at the Democratic convention in Chicago it was the California vote that brought the nomination of Franklin Roosevelt. The California vote in this convention may also turn the tide.

"WAR" IN WASHINGTON

The House of Representatives hasn't formed an armed brigade to march on the White House nor has President Truman had sandbags piled around the executive mansion for defense against such an "attack."

In other words, the "war" between the legislative and executive branches of the Government over the FBI report on Dr. Edward Condon, head of the Bureau of Standards, won't reach the shooting stage. But the verbal volleys are flying thick and fast.

The House is backing up its un-American Activities Committees in the demand for full information on the investigation of Dr. Condon's loyalty. The Committee contends that Dr. Condon is the "weakest link" in America's atomic security program. Dr. Condon denies this and is being supported by the Administration.

The whole affair has now gone beyond the original issue of Dr. Condon's innocence or guilt and has become a struggle between the White House and Capitol Hill.

There can be little doubt that Congress is entitled to the information it is demanding. But the unfortunate thing is that there is no guarantee that the un-American Activities Committee will weigh the information on Dr. Condon impartially once it gets possession of the file. There has already been too much distortion of evidence in this case.

Congress should insist on its right to the facts. But Congress should also insist that its committee stick with the facts and concern itself less with fanfare, half truths and premature accusations.

A LOSING RACE

Revenues pouring into the California State Treasury are steadily increasing, but expenses are going up a lot faster.

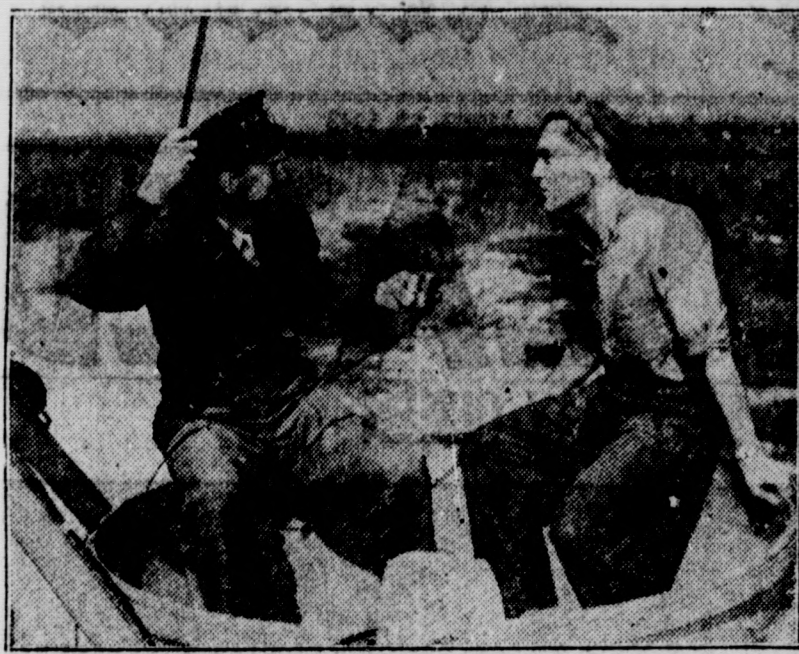

The picture still looks good with \$351 million received in the first nine months of the current fiscal year as against \$310 million paid out. The real story, however, lies in the percentage increases. Income rose 8 per cent over last year while expenses climbed 53 per cent. In March the State's cash surplus was \$180 million. A year ago it was \$314 million. Looks like we're heading for the "red."

WAR TRIAL

The trial of the Japanese leaders accused of plotting and waging aggressive war has finally come to an end. It covered a period of nearly two years.

In spite of the cold fury which the American people felt toward these leaders at the time of Pearl Harbor, it is safe to say that there is now little interest in the outcome of their trial. If most of them are let off with light sentences — this is not expected, however — it would not be surprising if only a few voices were raised here in protest.

We forget easily — much too easily.

AIR FORCE SAILORS TO THE RESCUE—Although much is known of Air Force flyers, little is known of Air Force sailors. Captain Maxwell Marvin, Air Force radio reporter, is shown interviewing Sergeant John A. Bigelow of Lombard, Illinois. Sergeant Bigelow is one of the Air Force sailors who spends most of his time at sea off the coast of Bermuda, alert to rescue crews of aircraft downed in the South Atlantic.

Corrine Cuneo, George Ricconi Tell Betrothal

Spring is the season when a young man's fancy — and a young lady's, too — lightly turns to thoughts of love, romance and engagement rings.

That's what happened last week to Miss Corrine Cuneo and George Ricconi, who announced their betrothal to their many Daly City friends.

The bride-to-be, daughter of the E. J. Cuneos of 681 San Diego avenue, is a familiar figure in the Jefferson High School attendance office. A graduate of the school, she has worked there ever since. She is a member of El Carmelo parlor, Native Daughters of the Golden West.

Ricconi, son of Mr. and Mrs. Walter Ricconi of San Pedro road, Colma, is a driver for California Motors.

Wedding plans are still indefinite.

Jaysee Tracksters Compete Saturday At Santa Rosa

The track team of San Mateo Junior College will compete Saturday at Santa Rosa against the combined teams from the entire conference. San Mateo recently lost its meet against Stockton and Sacramento colleges. Meanwhile, the Mateo nine is on top of the league. Jiro Nakamura, star pitcher from Atherton, recently shut out Marin jaysee, 1-0, in a brilliantly pitched game.

The college tennis team back from its brilliant showing in the Ojai Invitational, has been invited to send three players to Springfield, Missouri, for the national junior college tournament. Coach "Sy" Bashor is considering the matter — also how he would raise funds for the trip.

"State of the Union," the term play, was a fine hit in three performances last week end. Students from the entire county appeared in the cast, did stage crew work or served on the numerous committees needed to make the play a success.

Saturday the various junior colleges of Northern California will send their faculties to the annual Spring Association meeting at Santa Rosa. Sixteen junior colleges were represented at the vocational and technical conference held at the local Coyote Campus, with San Mateo jaysee as the host.

Robert Byers, just back from five years in Panama, will lecture and show movies on "Panama and the Canal Zone" at the Community Hall program the evening of May 10. The general public is invited to the program in the college auditorium without any admission charge.

John V. Anderson

John V. Anderson, 42, who died suddenly in Santa Rosa last Thursday, was buried last Saturday at Holy Cross Cemetery after funeral services from the chapel of W. C. Lasswell Mortuary.

A resident of 56 Market street in Colma, the deceased was vice-president of the Merchants Express company of San Francisco and Santa Rosa. He was a member of the Elks and the Knights of Columbus.

Mass was said at Holy Angels Church in Colma.

Survivors include his widow, Elizabeth Anderson; three children, Joan, Robert and John Anderson Jr.; his parents, Mr. and Mrs. John W. Anderson, and a brother, Robert G. Anderson.

Domestic and foreign passenger and freight air lines operate from San Francisco's municipal airport in San Mateo county.

Over one million families in the United States have at least one member receiving monthly benefit checks under the Old Age and Survivors Insurance system.

Fred Fazio Writes From Abilene, Tex.

Fred Fazio, Daly City's contribution to the Brooklyn Dodgers' training team at Abilene, Texas, writes of baseball happenings down south in weekly letters to Dray Guaraldi of the Central Creamery here.

Sending newspaper clippings and box scores of recent games played by the Blue Sox, Fazio's alma mammy, the former Daly City Ball Club pitcher recounts his successes and defeats in sports-crammed letters from the Texas town.

"We played our league opener the other night to a capacity crowd," Fazio writes. "This certainly is an enthusiastic baseball town, but they want you to win. The other night in an exhibition game I pinch-hit for our pitcher, with two men on first and second, and I hit the first pitch over the left center field fence — the longest ball I ever hit in my life."

"In our last exhibition game our right fielder got hurt just before the game, so the manager told me to take over."

The newspaper account of the game said Fazio got three blows in four trips. Another sports page clipping, covering the opening night game, says Fazio impressed player-manager Buck Faust of Amarillo, the winning team, despite his newness to the game.

"Fazio was wild when he took over for Dick Davidson," the paper recounted. "But that's likely to happen to anyone — especially a rookie pitching before an opening-night crowd."

"After that bad eighth inning, he took a few extra warmup tosses before the last inning and set Ransom Beeson and Lewis down in order, firing three strikes by Beeson, the fellow who had smashed a triple in the fourth frame."

Hollywood Writer Entertained Sunday By Bill Degliantoni

Pat Costello, Hollywood gag writer and brother of the famed radio and motion picture comedian, was a visitor last week end at the home of Mr. and Mrs. Bill Degliantoni.

Costello was entertained by his host and two other local businessmen, Bill Kennedy and Bert Merritt, with a day on the golf links at Harding Park.

Resolution No. 1028

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DALY CITY DECLARING THE INTENTION OF SAID CITY COUNCIL TO VACATE PORTIONS OF EDGEMAR STREET IN SAID CITY UNDER THE PROVISIONS OF THE "STREET VACATION ACT OF 1941" (STATUTES OF 1941, CHAPTER 250, PAGE 1357 ET SEQ; SECTION 8300, ET SEQ. STREETS AND HIGHWAYS CODE).

It appearing to the City Council of the City of Daly City that portions of Edgemar Street in said City, should be vacated or abandoned for the reason that they are unnecessary for present or prospective public street purposes, and that the best interests of the citizens of Daly City will be served by such vacation and abandonment.

And, pursuant to the provisions of the "Street Vacation Act of 1941" (Statutes of 1941, Chapter 250, Page 1357 et seq. Section 8300, et seq. Streets and Highways Code).

BE IT AND IT IS HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALY CITY THAT SAID CITY COUNCIL DOES HEREBY DECLARE its intention to vacate portions of Edgemar Street, hereinafter described, in said City; that the portions of said street to be vacated, under said "Street Vacation Act of 1941" are described as follows:

All of Edgemar Street lying on the Northerly side of the Southerly prolongation of the Southerly line of Lowell Street; and the Southerly 10 feet of Edgemar Street from the Southerly prolongation of the Northerly line of Lowell Street to the Southerly prolongation of the Southerly line of Lowell Street.

BE IT AND IT IS HEREBY FURTHER RESOLVED THAT a hearing on said proposed vacation of the portions of said street, hereinafter described, be and the same is hereby fixed for Monday, 24th day of May, 1948, at the hour of 8:00 o'clock P.M. of said day at the Council Chambers, City Hall, Daly City, California, notice of which hearing is hereby given, at which time and place all persons interested in or objecting to said proposed vacation may appear and present objections to said proposed vacation, and submit to said City Council evidence in support thereof, under and in conformity with the provisions of said "Street Vacation Act of 1941."

BE IT AND IT IS HEREBY FURTHER RESOLVED THAT this resolution be published once in the Daly City Record, a newspaper printed, published and circulated in the City of Daly City; and that notices of street vacation, which notices shall state the passage of this resolution of intention and of the time and place of hearing thereunder, be posted not more than 300 feet apart on the portions of said street proposed to be abandoned, under the provisions of Section 8322 of the Streets and Highways Code, "Street Vacation Act of 1941."

L. B. C. ROSS, City Clerk of the City of Daly City, do hereby certify that the above and foregoing resolution was duly and regularly passed and adopted by the City Council of the City of Daly City at a regular meeting held by said Council on the 26 day of April, 1948, by the following vote:

AYES, Councilmen: Bertetta, Green, Battye, Mooney, Gaggero.
NOES, Councilmen: None.
ABSENT, Councilmen: None.

(SEAL)
IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Official Seal of said City this 26 day of April, 1948.

B. C. ROSS
City Clerk of the City of Daly City

APPROVED: A. J. GAGGERO Mayor

(Pub. April 29, 1948.)

SMOKE SIGNALS

By Carolyn Bucher

On Friday, April 30, the graduating seniors of Jefferson Union High will present their term play. The senior play, "Growing Pains," will be given for the student body during assembly period, and an evening performance for the general public will be given that night. Curtain time is 8 p.m. and admission is 60 cents. This year's senior play promises to be a very amusing one; it centers on a typical American family with emphasis on teen-age members and their problems.

To give publicity to the senior play which is coming this Friday, posters and individual and group photographs of the cast of "Growing Pains" line the main hall at Jefferson.

Muriel Park and Lee Peterson were first place winners in the Girls' Peninsula Athletic League intermediate badminton tournament which ended Wednesday, April 21, in the Jefferson gym. Joan Hopman and Beverly Stein were favored to take first place in the finals but were upset in the final playoff by Muriel and Lee. First place winners of the beginners' tournament were Magdalena Merino and Dorothy Cady, who defeated Joan Johnson and Dolly Benning. Those placed first in the consolation tournament (losers among the intermediate players) were Ann Allen and Carolyn Bucher, who won by default from Joan Vittori and June Devlin. There was a tie for first place in the beginners' consolation between Bobbie Carroll and Pat Holcomb and Loretta DaBella and Leona Biggs.

G.P.A.L. badminton emblems were presented to the girls who participated regularly in school sports.

On Wednesday, April 28, badminton began with practices after school. They will be held each Monday, Wednesday and Friday.

An exchange assembly was presented last Thursday for the Jefferson student body by South San Francisco High as a response to the assembly we presented for them last month.

Their dance band was featured on the program along with a fortune teller who appeared to know more about Jeff happenings than we; the "four bars," a boys' quartet, who sang "Dry Bones"; a classical piano solo; a tap dance routine; a hula fantasy with colored lights reflecting on the dancers, and finally an impersonation of the Andrews sisters singing "On the Avenue."

The student body president of South City High stressed the importance of the exchange assembly as a valuable aid in promoting inter-school respect and good relations.

Cheers and cheers compelled the dance band to play a few last encores — among them their theme, "Blue Flame."

Former D.C. Man Now Training With Marine Reserves

By Dave Hansen

In this, the second in a series of interviews with local figures carried on the 12th Infantry Battalion, USMCR, rolls, we meet Private Jerome D. Hunt.

Tall, San Francisco born Hunt was a resident of Daly City for some eight years, prior to returning to the Golden Gate City.

The 19-year-old private of Marines is a former member of Boy Scout Troop 101, when that outfit was in its heyday. He later graduated from that khaki-clad group to its seagoing counterpart, the Sea Scout Ship Dolphin.

Sheridan School was the scene of personable, athletic (a basketball of sorts) Hunt. He graduated from Balboa High School, after four years, two of them on the swimming team. (He specializes in the 100-yard free-style.)

A novelty company shipping clerk, Hunt regrets his inability to participate in the Battalion's summer encampment this year. His forthcoming marriage (on July 9) will put him under a new command. He will remain in the Marine Corps Reserve, however.

The Third Platoon, Company 'A' Rifleman is recently recovered from a foot injury, which temporarily limited all of his activities to his home. During this time he 'caught up' on his hobby of novel-reading (Westerns by Hitchcock).

On the anniversary of the signing of his four-year contract (three years ago) with the U.S. Marine Corps Reserve, Private Hunt commented, "The Reserve is a swell outfit for young non-veterans like myself. In this way we can pursue our private lives and still be familiar with the military."

"Killer McCoy" Du At Crest Sunday

Requiring the use of an entire sound stage at M-G-M, what is believed to be the largest boxing arena ever built for a fight picture in Hollywood was constructed for the thrilling ring sequences of "Killer McCoy," starring Mick Rooney, Brian Donlevy and Al Blyth on the Crest screen starting next Sunday.

Seating three thousand spectators, the arena was dubbed "Met Square Garden" at the studio. Rooney, cast as the young prizefighter in the picture, has his dramatic battle here before one of the largest arrays of extras used in any current production.

It was on this sound stage that Rooney discovered that playing prizefighter is not an easy assignment for any actor. For his major bout he boxed from nine o'clock in the morning until six in the evening.

Although the fight was supposed to end in the eighth round, Rooney actually did the equivalent of twenty-eight rounds of fighting, almost three normal main events according to Johnny Indrisano, the picture's technical adviser and the star's boxing coach. During the day, Rooney was floored eleven times for long-shots, close-ups and rehearsals.

His opponent was Larry Cisneros, fourth ranking contender for the world's lightweight crown and service champion in the European zone while in the Army.

Resolution No. 1027

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DALY CITY GIVING NOTICE OF PROPOSED ANNEXATION OF UNINHABITED TERRITORY TO SAID CITY, AND SETTING DAY, HOUR AND PLACE FOR THE HEARING OF OBJECTIONS TO THE PROPOSED ANNEXATION.

WHEREAS, a request for annexation of uninhabited territory as filed with the City Council of the City of Daly City on April 12, 1948, which said request was in writing and contained a description of the uninhabited territory sought to be included in the City of Daly City and which said request was signed by the owner of all of the uninhabited real property sought to be annexed, and which did request contained a description of the uninhabited territory sought to be annexed;

NOW, THEREFORE, pursuant to the provisions of that certain act entitled "Annexation of Uninhabited Territory Act of 1939," BE IT RESOLVED that a day, hour and place be fixed when and where any person owning real property within the territory proposed to be annexed and having any objections to the proposed annexation may appear before the City Council and show cause why such territory should not be annexed.

The territory proposed to be annexed is particularly described as follows, to-wit:

Beginning at the intersection of the Southern line of Thiers Street with the Eastern line of Geneva Street as shown upon "Map of the lands of the Abbey Homestead Association," a copy of which is filed in the office of the Recorder of San Mateo County in Book 1 of Maps at page 14; thence from said point of beginning Southerly along the Eastern line of Geneva Street to the common line between lots 1 and 2, Block 20 of the aforementioned Abbey Homestead Association; thence Westerly along the Southern line of Lots 1 and 2, Block 21 and its Eastern and Westerly extensions and along the Southern line of Lots 1 and 5, Block 22 (both of the aforementioned Abbey Homestead Association) to the Eastern line of Abbot Avenue and the present Corporate Limits Line of the City of Daly City; thence along the last mentioned line, Northerly along the Eastern line of Abbot Avenue and Easterly along the Southern line of Thiers Street to the point of beginning.

BE IT FURTHER RESOLVED that Monday, the 10th day of May, 1948, at the hour of eight o'clock P.M., at the City Council Chambers, located at the City Hall of said City at Daly City, California, be, and the same hereby is fixed, the day, hour and place when and where any person owning real property within said territory so proposed to be annexed and having any objections to the proposed annexation, may appear before the City Council and show cause, if any there be, why such territory should not be annexed.

BE IT FURTHER RESOLVED that the City Clerk of said City be, and he hereby is, authorized and directed to cause a copy of this resolution to be published once a week for two (2) successive weeks prior to the day and hour fixed herein for said hearing, in the Daily City Record, a newspaper of general circulation published in the City of Daly City.

BE IT FURTHER RESOLVED that at any time not later than the hour set for hearing objections to the proposed annexation any owner of property within the territory proposed to be annexed may file written protest against the proposed annexation in accordance with the provisions of that certain act of the Legislature, known and designated as "Annexation of Uninhabited Territory Act of 1939."

I hereby certify that the foregoing resolution was duly and regularly passed and adopted by the members of the City Council of the City of Daly City, County of San Mateo, State of California, at a regular meeting held on the 26th day of April 1948 by the following vote:

AYES, and in favor thereof, Councilmen: Bertetta, Green, Battye, Mooney, Gaggero.

NOES, Councilmen: None.

ABSENT, Councilmen: None.

Announce Winners Of Americanism Essay Contest

Winners of the Americanism essay contest sponsored recently by the American Legion Auxiliary at Crocker Elementary School were announced this week by Miss M. Tobias, principal.

In the fourth, fifth and sixth grade group, the essay title, "The American Flag and What It Means to Me" won awards for these children:

First prize, Carolyn Saumer, high fifth; second prize, Robert Yonan, low sixth; first honorable mention, Joy Hogan, high sixth, and second honorable mention, Norma Khinoo.

The title "Our Great American Heritage" won honors for these students in the seventh, eighth and ninth grades:

First prize, Kenneth Pennington, high eighth; second prize, Andrew Vranich, high seventh; first honorable mention, Peggy Joy Lee, and second honorable mention, Bob Welnick.

"Our Great American Heritage—Liberty," title of the high school essay competition for Jefferson High School, resulted in first honors for Kathleen Johnson; second prize to Delores Lobstien; first honorable mention, Given Harris, and second honorable mention, Helen Plante.

First prize essays will be submitted to the San Mateo County District Chairman for competition with essay winners throughout the county. County winner will enter a county-wide contest.

Benefit Whist Friday Evening

The public is invited to attend a whist party Friday evening, April 30, to be held in the Colma Parish hall, San Pedro road, starting at 8:30 p. m. sharp. The party is for the benefit of the Holy Angels Parish, Colma.

Four Bedroom Home

A compact one floor house with four bedrooms is ideal for a large family of modest means. Careful study should be given the plan to discover the convenience provided. Fourteen storage wall closets plus the built-in kitchen and laundry storage space is of special interest. The built-in nook, the cold room, and wash room in the garage and space in the laundry for a playpen are needed in a large family. The house comprises 1444 square feet, excluding garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for \$2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifications of the dwelling shown above can be obtained for \$5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

Alphonse Robison

Fertile Java

From fertile, colorful Java—with its chattering monkeys, carabao working in the fields, and natives dressed in sarongs and earrings—come some of the world's most valuable products. Rubber, guine, sugar, coffee, tea, tobacco, kapok and teakwood, plus the bountiful crops of rice that help feed the island's own teeming population, are typical items high on the list.

Funeral services for Alphonse William Robison, 54, who died suddenly at Junipero Serra Hospital last Sunday, were held yesterday from the chapel of W. C. Lasswell Mortuary.

The deceased, made his home at 73 Knowles avenue. He was a member of NSGW, the Eagles Lodge, the Teamsters Union, and was a veteran of World War I.

Survivors include his sister, Mrs. Hortense McGrath; two nephews, Alfred C. and Henry T. McGrath; a niece, Mrs. Joan Klotovich, and a grandniece, Joan Klotovich.

Burial was in Golden Gate Cemetery.

Fertile Java

From fertile, colorful Java—with its chattering monkeys, carabao working in the fields, and natives dressed in sarongs and earrings—come some of the world's most valuable products. Rubber, guine, sugar, coffee, tea, tobacco, kapok and teakwood, plus the bountiful crops of rice that help feed the island's own teeming population, are typical items high on the list.

Funeral services for Alphonse William Robison, 54, who died suddenly at Junipero Serra Hospital last Sunday, were held yesterday from the chapel of W. C. Lasswell Mortuary.

The deceased, made his home at 73 Knowles avenue. He was a member of NSGW, the Eagles Lodge, the Teamsters Union, and was a veteran of World War I.

Survivors include his sister, Mrs. Hortense McGrath; two nephews, Alfred C. and Henry T. McGrath; a niece, Mrs. Joan Klotovich, and a grandniece, Joan Klotovich.

Burial was in Golden Gate Cemetery.

OFF THE BLOTTER . . .

Chairman Notes Good Response To Cancer Drive

San Mateo county is responding generously to the annual appeal of the American Cancer Society for funds to carry on its research, education and service projects in the nation-wide cancer control program, according to Edward R. McDonald, county campaign chairman.

"Figures from various business districts of the county have not yet been compiled but contributions so far received indicate an encouraging interest on the part of the public. We anticipate reaching our \$35,000 goal," McDonald said today.

Pointing out that the April campaign has a dual purpose—education of the public as well as collection of funds—Mrs. Ralph J. Tucker, county commander, today noted an increased number of inquiries concerning informative literature and local services.

Services supplied by the San Mateo County Branch of the ACS include maintenance of a tumor consultation center at Mills Memorial Hospital and of an information center at 18 Second avenue, San Mateo; free hospitalization for cancer patients not eligible for public aid; visiting nurse service and special assistance to advanced patients.

Property damage resulted from four automobile accidents on the streets of Daly City during the past week, and two thefts were reported to the local police department.

Cars driven by Mildred Falvey of San Rafael and Frank Lennon of San Francisco were damaged last Friday in an accident at Gambetta and Mission streets. A car owned by Frank Kahle, 71 E. Cavour street, was damaged last Saturday when it was struck by a car owned by Aniceto Cruz of Colma. The Cruz car evidently slipped its brakes and hit Kahle's car when it rolled down hill, out of control.

Richard W. Tennis of San Bruno agreed to pay for damages to a city police car last Saturday when he sideswiped it while driving south on Mission street. Tennis told police he had lost control of the car when he reached into his pocket for a cigarette. The police car's left rear fender was damaged.

A car owned by Charles Trehella, San Anselmo, rolled from its parking place last Friday and crashed into a car owned by William J. Campbell of San Francisco, which was parked in front of 181 E. Vista. The fence and garden at the E. Vista address also sustained damage.

Mrs. Harry Thetford, of 562 San Diego avenue, told police last Friday she had been robbed of approximately \$300 Thursday night by a man whom she could identify only as "Bill," a Hollander. Mrs. Thetford said she and two companions had met the man in a tavern Thursday night, and the four returned to her home for a meal. She did not discover the theft, she said, until he had gone. A Cadillac cab belonging to Gus Anderson of the Daly City Cab Company was recovered Monday after being reported stolen Sunday morning from its parking place at Hillside boulevard and Chester street. The theft was referred to the county sheriff's office.

Inspection Stamp

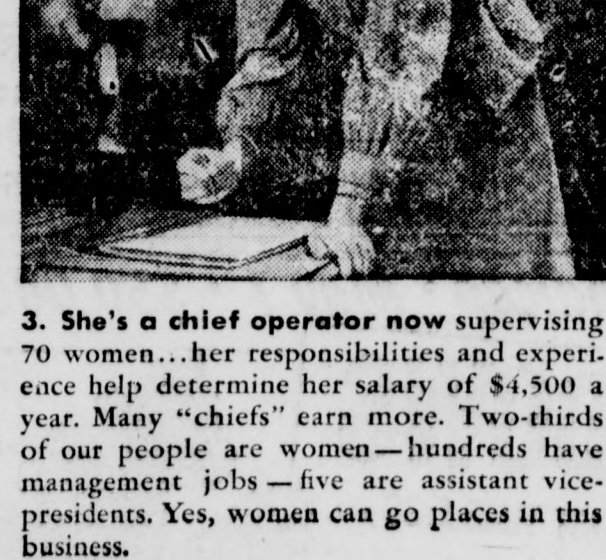

The familiar round purple inspection stamp on meat has been used by the department of agriculture for 40 years.

Primrose Wine

Primroses are so numerous in England they are used to make a wine similar to dandelion wine.

Here's why we say WOMEN CAN GO PLACES IN THIS BUSINESS

1. This is a story of a typical Pacific Telephone "career girl." She started as an operator back in the thirties...a good job then, even better now. Today most new operators just out of high school average better than \$35 a week when they start handling calls and many experienced operators earn \$50 a week.
2. She was promoted to supervisor after a few years. Training new girls was an important part of the job...for Pacific Telephone was growing. She enjoyed vacations every year...with pay, of course. And she joined in many local telephone activities. Found telephone people friendly and sociable...on or off the job.
3. She's a chief operator now supervising 70 women...her responsibilities and experience help determine her salary of \$4,500 a year. Many "chiefs" earn more. Two-thirds of our people are women—hundreds have management jobs—five are assistant vice-presidents. Yes, women can go places in this business.
4. Telephone jobs must be good jobs to attract the capable people needed to furnish service. Good pay, steady work and an employee benefit plan give a strong sense of security. Comfortable surroundings, vacations and friendly fellow workers help make work pleasant.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Springtime Is "Change-Over" Time For Your FORD

Save Time, Save Money—Bring Your Ford in to us for our Special Lubrication Job Now!

Here's What We Do:

1. Completely lubricate all fittings, U-joints, clutch and brake shafts.
2. Drain, flush and refill transmission and differential with Spring Lubricant.
3. Remove wheels—repack and adjust wheel bearings.
4. Replenish fluid and adjust shock absorbers.
5. Clean fuel pump.
6. Add water to battery and check connections.
7. Check generator and regulate charging rate.
8. Check and adjust clutch pedal clearance.
9. Clean oil-bath air cleaner.
10. Change oil filter and cartridge.
11. Wash car—Clean and vacuum interior.
12. Tune and adjust engine (parts additional).
13. Adjust brakes.
14. Adjust front-wheel toe-in.
15. Aim headlamps.

MAY DAY PARADE

(Continued from Page 1)
Parlor, NDGW, Hillcrest Circle, Druids, Eagles Aerie No. 5, Eagles Aerie No. 61, and Eagles Aerie No. 1846.

Paul Selmi will head the sixth division, bringing up the rear with Eddie Allen sr. and his son, Eddie, jr., on horseback; El Camino Riding Club, Edward J. Dennis, and Pat Hoskings, single mounted entries, and the Mar Vista Riding Academy.

In case of rain this Sunday, the May Day Festival will be postponed to be presented in its entirety on Sunday, May 9.

No Exams Are Planned For State Highway Patrolmen

With several hundred applicants on the current eligibility list for California highway patrolmen, no examinations are planned or scheduled by the State Personnel Board for employment in this field.

Floyd D. Granger, Veterans Service Officer, made this announcement today as a warning to veterans who might be persuaded to spend time and money training for jobs not available at present except for those already qualified.

Granger said veterans should avoid being misled by the advertising of some schools.

Granger said he has been informed by the State Personnel Board the present eligible list will supply the need for highway patrolmen for considerable time under normal circumstances.

Information on scheduled examinations for state jobs attractive to veterans and forms for veterans' preference may be obtained at the Veterans Service Office located at the San Mateo County Courthouse, Redwood City.

Veterans and widows of veterans may establish permanent eligibility for 10-point preference in open state civil service examinations by filing application with the State Department of Veterans Affairs. Disabled veterans must apply for their 15-point preference prior to each examination.

Better Paint Jobs

Not so long ago all automobiles were painted by hand and brush. The custom job had 24 to 30 coats of paint and varnish, laboriously hand applied, rubbed and polished. Most cars today get and need only one or two coats of enamel or lacquer which is sprayed on and dried in a fraction of the time and at a fraction of the cost.

People, Spots In The News

PLASTIC PLAY POND, due to bloom in many a backyard this summer, is this portable seven-foot "moughnut" of Koroseal flexible material, so designed it needs no rigid supports. Its sides easily undulate to contain wavelets in the 9-inch-deep pool.

BOOM!—Seconds after this picture was taken at Buffalo, N.Y., Roberto Zucchini suffered a serious neck injury when he landed in a safety net many yards away. His sister, Sylvana, shot from cannon at the same time, was not injured.

LIE-DOWN STRIKE occurred at New York Stock Exchange when pickets blocked entrance. Police removed pickets in bloody battle.

CONCERT ASSN.

(Continued from Page 1)
man J. Rose, recreation director; John J. Falvey, jr., Melford D. Battie, Mrs. Pearl Jones, Mrs. Stella Jensen, Stanford Hannah, R. L. Crane, Peter Markovich, Mrs. M. Pauline Brown, Carter Callan, Joseph Leonetti, Mrs. Ethel Hahn, Mrs. Ramon Gomez and Vincent J. Murphy.

Mrs. E. B. Ochander is first vice-president of the group; Mrs. Ethel Gray, general chairman; Mrs. Berntha Sutton, secretary; Mrs. Densil Willis, treasurer; and Claude Hanrahan, publicity chairman.

The organization will secure its talent from Columbia Concert Service, a division of Columbia Records, Inc. of New York, which has provided numerous U.S. communities with its "organized audience plan."

The local group plans to present no less than four major concerts or attractions — the number and variety depending on the success of the membership drive.

Ten membership captions of the 12 desired already have been signed for service, and many other residents have volunteered their services as field workers. However, according to Mrs. E. B. Ochander, vice-president, more are needed before total success can be assured.

The group will meet officially Monday night, May 3, at 7:30 p.m. in the city hall to make further arrangements for the drive.

Captains thus far enlisted are Mesdames Ruth Fisher, Eileen DeBernardi, D. Drotar, W. Haynes, K. Foreman, Nellie Hacker, Ann Eason, M. Pauline Brown, J. Buckwalter and J. C. Branstetter.

Volunteers may register by calling Mrs. Ochander at JUniper 7-7925.

Importance of Eggs
"The egg is the cement that holds the castles of cookery together," once said a famous chef. You may use eggs to thicken a custard or sauce, to leaven or lighten a soufflé or cake, to hold together oil and vinegar in a creamy mayonnaise. Use egg whites to make cloudy soups clear, or an egg shell with some of the white still clinging to "settle" muddy coffee.

New Books At Public Library

A list of new books now available at the Daly City municipal library was released this week by Mrs. Marcie Trier, librarian.

The new volumes are:
The Lost Captain, Ashton; Venturous Lady, Cox; Gentlemen's Agreement, Hobson; Milk Route, Ostensio; Harp in the South, Park; Eternity Ring, Wentworth; The Golden Hawk, Yerby; and The Horse Called Pete, Bialk—a junior.

DEVIL'S POST PILE
Devil's Post Pile National Monument, located in Madera county on the Middle Fork of the San Joaquin River, is reported to consist of a spectacular mass of hexagonal basaltic columns like immense posts. Two feet in diameter and forty feet high, these posts are perfect prisms.

Vocations Day Program Brings Speakers To Jeff

Vocations Day, held at the Jefferson Union High School last Friday was pronounced an "outstanding success" by students as well as teachers.

Donald E. Kitch, of the State Department of Education, was speaker at the general assembly. Kitch gave an address on the importance of choosing an occupation wisely. He stated his belief that the two most important choices one makes are that of an occupation and of a marriage partner.

The girls' assembly enjoyed a talk by Mrs. May Carmody of the California State Employment Service. Mrs. Carmody stressed the personal traits all employers seek in their employees.

F. E. Whitmer of the American Trust Company spoke to the boys' assembly relative to the qualities which make for success in any occupation. Mr. Whitmer stated that every employee should have:

- 1) Loyalty, 2) responsibility, 3) confidence, 4) punctuality, 5) dependability, 6) good personal habits, 7) honesty, 8) unselfishness, 9) cheerfulness, 10) enthusiasm, 11) self-control and industry.

He concluded with four key notes of success: respect, industry, cheerfulness and honesty.

Each student attended two different occupational group meetings. At each meeting someone engaged in or thoroughly familiar with the occupation spoke to the students of the opportunities, limitations, training requirements, remuneration, advantages, disadvantages, desirable qualities, etc.

After each talk the students were given an opportunity to ask questions.

The program included these speakers and their topics:
Agriculture, M. L. Triggs of California Farm Bureau Federation; Air Crew, Elmer Gorman, Transcontinental & Western Air, Inc.; Architecture, Peter Kump, Franklin, Kump & Falk; Auto Mechanics, F. S. Woods, Imperatrice Bros.; and Byron Graham, Neville Motors; Aviation Mechanics, Harry Sullivan, United Air Lines; Bakers & Cooks, Carl Riechman, Broite Company; Beauty Culture, Nick Thomas and Miss Ruth Hopkins, Don Lux Academy of Beauty Culture; Building Trades, Daniel Del Carlo, Building & Construction Trades Council; Civil Service, Martin Mongan, County Clerk, S. F.; Clerical, Mrs. Helen Winther, P. G. & E.; College and University Training, Dr. William F. Meyer, University of California; Commercial Art, Marshall D. Potter, Logan & Cox, S. F.; Designing, Mrs. Marie Leonard, Rudolph Schaeffer School of Design; Engineering, George Erskine, George Erskine & Associates; Forestry, Earl Bachman, California Region of Forest Service; Medicine, Dentistry, Pharmacy, W. H. Northway, M.D., Stanford University of Medicine; Metal Trades, Joseph Clisam, S. F. Unified School District; Military Services, M. Sergeant George Tipton, U.S.M.C., A. B. Doyle, U.S.N., and Capt. Francis Fitzgerald, U. S. Army & Air Force; Music, Walter F. Larew, Larew's Studio Drum Shop; Nursing, Miss Dorothy Johnson, Miss Phyllis Roether, and Dr. W. W. Wolsied; Photography, P. Douglas Anderson, 251 Post Street, S. F., and Chas. E. Sayres, Gabriel Moulin Studios; Receptionist, Miss Claire D. Griffin, Standard Oil Company of California; Salesmanship, Mrs.

Letter To The Editor

Dear Editor,
The executive board of the Woodrow Wilson Parent Teachers Association wishes to take this opportunity to thank the Daly City Record and its staff for the prompt and courteous service accorded our association in the handling and publishing of news of our activities.

Again may we say we do appreciate your fine cooperation and help extended to us.

Woodrow Wilson P.T.A.
By Catherine Duffy,
Recording Secretary

PYRAMID LAKE

Pyramid Lake, 37 miles north-east of Reno, Nevada, is unlike any other lake in the world, according to National Automobile Club. Located on a desert 3,783 feet above sea level, it is 30 miles long, 12 miles wide, and gulls and pelicans swarm over it by the thousands.

Yvonne Daube, Macy's; Secretary. Mrs. Marian Anderton, Bank of America; Teaching, Dr. R. D. Willey, San Jose State College, and Telephone Operator, Miss Ema Irwin and Miss Marjorie Bennetts, Pacific Telephone and Telegraph Company.

(Paid Political Adv.)

INTEGRITY PLUS EXPERIENCE

Congressman Jack Anderson is young in years — yet comfortably mature in experience. He's proved his thorough honesty — in words, thoughts and action. Integrity plus experience is your best assurance of outstanding representation in Washington.

LET'S KEEP CONGRESSMAN JACK Z. ANDERSON

This adv. sponsored and paid for by Francis J. Wank

17th District C.C.P.T. Meets At Redwood City

With "Freeways to the Future" as the theme, the twenty-first annual convention of Seventeenth district, California Congress of Parents and Teachers, was held at Sequoia Union High School in Redwood City recently.

Mrs. LeRoy H. Bailey, state chairman of International Relations, was the guest speaker. "Our future depends upon our fitness to survive. We must be a decent nation, morally sound within, to be strong enough to lead. When we hold an election and only thirty-seven percent of the voters vote, we are not entitled to survive. Never before has it been so necessary for us to choose our leaders carefully," said Mrs. Bailey, who displayed a copy of the Charter of the United Nations Organization and reviewed its beginning three years ago in San Francisco.

New officers elected were Mrs. J. M. Foley, president; Mrs. S. S. Mayo, first vice president; Mrs. G. J. Sirex, director of organization; Mrs. A. A. Kiebusch, director of extension; Mrs. Roland K. Abercrombie, director of public welfare; Mrs. Faun Tuska, director of education; Mrs. Radence O'Bryant, director of home service; Mrs. Roy N. Cloud, jr., director of health; Mrs. P. H. Everts, recording secretary; Mrs. C. N. Underwood, financial secretary; Mrs. Edward Stykel, treasurer; E. F. Willman, auditor; and Mrs. Oscar Larson, historian.

Annual reports were given by the various district officers, and revisions to the district by-laws presented by Mrs. J. M. Foley, parliamentarian, were adopted.

Delegates to the state convention to be held in Sacramento May 12, 13, and 14, are Mrs. M. G. Strohmeier, Mrs. J. M. Foley, Mrs. A. A. Kiebusch, and Mrs. C. N. Underwood.

Installation of officers will be held at the Methodist Church in Burlingame on May 20. Miss Pansy Jewett Abbott will be the installing officer.

Pershing P.T.A. To Install New Officers May 4

New officers of General Pershing Parent Teacher Association will be installed next Tuesday, May 4, at an 8 p.m. dinner in the school house.

All parents — both mothers and fathers — of the association were urged to be present to welcome the new administration into office. Mrs. M. G. Strohmeier, unit counselor, will perform the installation ceremony.

Reservations should be made well before the event.

Mrs. Dumont Writes Israel Daughters To Have Party From Shipboard On Way To France

Mrs. Paul Dumont, who left her home in Daly City last month for a visit with her mother and other relatives in France, sent greetings to her local friends in a letter dated April 17, aboard the S. S. America.

Mrs. Dumont wrote: "We have been at sea since April 14, and so far the voyage has been great. We cannot feel any more motion on this ship than on a ferry boat going across the San Francisco Bay."

"Everyone shows up for meals, and what meals they are! Movies, dances and games are ever diversions, and a good time is had by everyone. Carmen Miranda is on board with her orchestra. She travels first class, but visits her musicians in the cabin class daily, along with us."

"Also on board there are four priests and five sisters—some of them Irish and the others French."

"Yesterday we bought our railroad ticket from Cherbourg to Paris and exchanged a few American dollars for French money."

"I will write again from Paris. Until then—
Au Revoir."

Israel Daughters To Have Party

A quarterly birthday party honoring past presidents of the local chapter, Daughters of Israel, a Mothers' Day celebration, provide a double occasion for chapter's scheduled fete May 12 at the Los Banos avenue synagogue.

Mrs. Ida Brickman, chairman arrangements for the affair, announced that the party—in form of a luncheon—will be promptly at 12:30 p.m. All members are urged to be present.

A HAZARD REMOVED

In turning around on a road there is one preventive against getting stuck. That involves seeing that, if one pair of wheels must get off the pavement the front two are selected. There is nothing to do with driving a car and if they should get stuck the rear wheels can usually get them out.

ican dollars for French money. "I will write again from Paris. Until then—
Au Revoir."

High Power Virus
In tests, department of agriculture experimenters found that one millionth of a cubic centimeter of blood drawn from a hog infected with cholera was very frequently sufficient to infect another hog with cholera—and one 2½-millionth of a cubic centimeter occasionally produced cholera. (A teaspoon holds 6 cubic centimeters.) Doses of one five-millionth of a cubic centimeter were not infective. Cholera virus was most abundant in the blood of artificially infected hogs in the sixth to eighth days after infection.

Blossoms Last
The pinkish blossoms of the Pee Dee Hydrangea remains on the shrub all winter. If picked while in such pink color, they make a fine decoration for the living-room.

DDT Smoke Battles Insects
War-designed to provide smoke screens for troops, smoke generators have been adapted by the army chemical corps for protecting orchards and row crops against frost and insects. Fourteen department of agriculture stations across the country now are testing DDT mixed with smoke to exterminate insect pests on grain, tobacco, fruit and vegetable crops. Regular army volunteers selecting the chemical corps for their service are trained to handle equipment useful in both war and peace.

Oldest Farm Paper
The American Farmer magazine, believed to be the first agricultural periodical published in the U. S., was started at Baltimore, Md., in 1819.

First Public Memorial
First statue of George Washington—and the first public memorial of its kind in this country—was erected on the state capitol lawn in Raleigh, N. C. The general assembly hunted in vain for native talent, finally appealing to Thomas Jefferson, who advised them to buy their statue in Italy. The marble statue, by Canova, cost the taxpayers \$11,000, which was a tenth of the state's revenue for the year. It was destroyed by fire in 1832, and at the time was considered the most precious work of art in the United States.

Painting the Ocean
A brilliant yellow patch visible for miles away to a rescue plane flying at 10,000 feet altitude is produced by a new chemical, the use of which as part of the equipment of life rafts may save many lives.

Preparing Water Fowl
In cooking wild water fowl a little special attention will help insure a much more tasty dish. In preparing a bird for cooking it is well to remember that an older bird has less tender meat and is best cooked with moist heat with only a moderate amount of seasoning, while tender meat is cooked with dry heat. Seasonings used include onions, tomatoes, garlic, lemon, marjoram, thyme, cloves or chili powder.

Eliminate Dirt
To keep dirt from working under the fingernails, scratch them over a bar of soap before weeding the garden.

Native to Asia
Alfalfa is native to southwestern Asia and was in use centuries before the Christian era.

Seasickness Not Mental
Seasickness is not merely mental. Such would be the conclusion from navy tests comparing the attacks of mal de mer suffered by soldiers who took pills—one set of pills made of sugar and the other three containing varying percentages of a sedative called hyoscine. In moderate seas, the sugar-pill patients were eight times as likely to be seasick as those who took the hyoscine. In rough weather the protection was not so marked.

Chemical Study
An Infra-red spectrograph has been developed to determine both the chemical structure and the amount of chemical in an unknown material. The instrument, operating on the principle of infra-red ray absorption, cannot be used for metals but is utilized for gases, liquids and many solids, including plastics.

Animal Kingdom Disease Reservoir
The animal kingdom is a reservoir for at least 75 diseases which are of potential public health significance, according to Dr. Karl F. Meyer, director of the Hooper Foundation at the University of California Medical School.

Almost every common domesticated animal was included in a list presented by Dr. Meyer of diseases transmittable to man.

When the offending animal can be destroyed, control of infection of man is effective, an example being the slaughtering of tuberculous cattle, Dr. Meyer said.

Destruction of rodent and flea

populations near human habitations with newer agents may eliminate endemic typhus and plague, he stated.

When destruction of the animal host is impractical, regular immunization of exposed livestock may prove effective in some diseases. Vaccination has reduced anthrax in rural areas, and Dr. Meyer said a reduction may also follow the vaccination of calves against brucellosis.

"However, in the face of vast reservoirs of disease such as yellow fever in the wild regions of Africa and South America, or the sylvatic plague on nearly every continent, the hope of wiping them out becomes untenable," the scientist stated.

Coronation Day Set Sunday At St. John's Church

Sunday has been designated as Coronation Day by St. John's Church, St. Mary's and Mission. Crowning the blessed Mother will be Patricia Maguire, assisted by Jacqueline Laine and Teresa McGee. The ceremony will be handled by Mother Angela, Sodality of Mary director.

The senior class will lead the procession, clad in formal dresses. It will include Gloria Biglieri, Theresa Borlo, Edna Brennan, Joan Carey, Maurcen Carolla, Catherine Fitzgerald, Rose Galo, Carol Johnson, Ann King, Evelyn Lotz, Marjeanne McFarlane, Connie Milazzo, Betty Murphy, Emilia Nardi, Mary Esther Rivera, Anastasia Slattery, Sharolyn Smyser, Clara Sulzberger and Marilyn Wittner.

Mother Anselm, St. John's Ursuline High School principal, announced that the colorful ceremony will take place at 2 p.m.

Flashing blades and lightning speed are the trademarks of the petite English skating champion, Hazel Franklin. As the mischievous newsboy in the Crosstown number of the Shipstads and Johnson "Ice Follies of 1948," which opens at Winterland, San Francisco, June 9. This is the 12th annual production of the world-famous ice extravaganza.

HAVE LIGHTS INSPECTED

"No motorists should start on a trip involving considerable night driving without having his car's lights gone over by a competent service man, preferably by the dealer handling the make of car," advises L. G. Evans, general service manager for National Automobile Club. "Like many other service operations, light servicing is now done quickly and with a scientific accuracy not even remotely approached by anything the individual car owner may attempt by homespun methods."

USE COMPRESSION

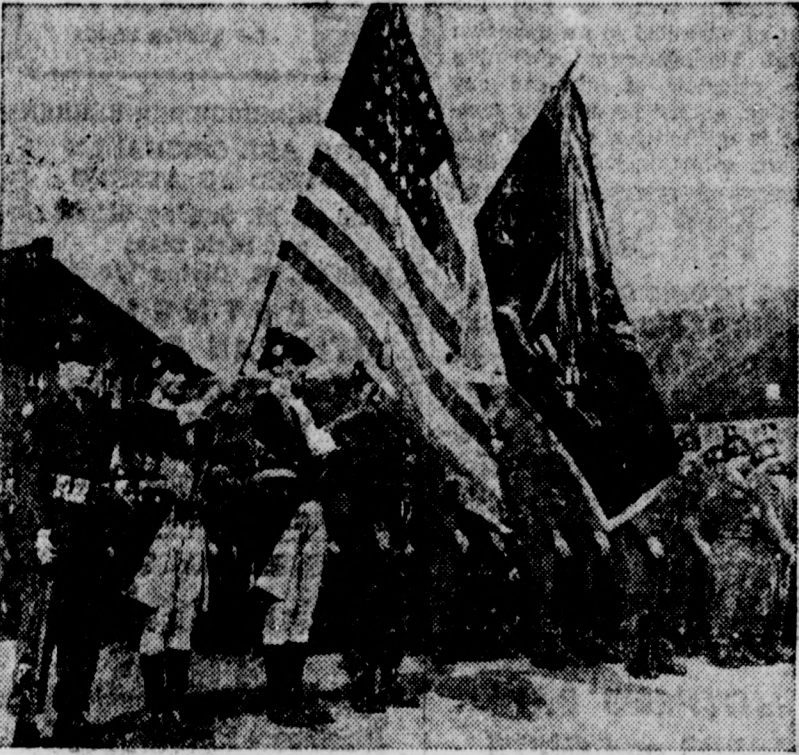

If your car's brakes fail suddenly while the car is in motion, shift to a lower gear as quickly as possible, thereby taking advantage of the motor's compression to help slow the car down, the California State Automobile Association advises.

SAVE CLUTCH LINING

Keep your foot away from the automobile clutch pedal until you are ready to use it. Even slight pressure on the clutch pedal while the car is in motion will cause slippage and rapid wear of the clutch lining.

SAVE GASOLINE

Motorists can make a worthwhile contribution to gasoline economy by avoiding both rapid acceleration of the motor and pumping of the accelerator, says the California State Automobile Association.

THIRD INFANTRY COLOR GUARD IN OLDTIME REGIMENTALS—This photograph was made in Germany when the Third Infantry, oldest regiment in the U. S. Army, mustered for a ceremonial. The flag bearers wear the uniform of the Army in 1784 when the regiment was organized. The Third is still a crack unit with a record in all American wars, including the Revolution, and its soldiers of the present had proud distinction on Army Day, 1948. (International News photo.)

SAFE PARKING

When parking your car always turn a wheel to the curb and set the parking or emergency brake tightly so that the car cannot be moved or driven until the brake is released, advises the California

State Automobile Association. On cars with both foot and hand brake operating on the same mechanism, the parking brake can usually be set tighter if both brakes are applied simultaneously.

CIVILIAN DEFENSE PLANS ARE LAID

Russell J. Hopley, of Omaha, Neb., executive of the Bell Telephone system and overseas veteran of a signal battalion in World War I, has outlined civil defense planning activities in the National Military Establishment. He heads the planning group responsible to Secretary of Defense Forrestal in laying the groundwork for a national program of civilian defense. In accepting his appointment, Mr. Hopley emphasized that state and local organizations would not be called upon to implement a defense program until a sound and workable plan had been developed.

"Civil defense," he declared, "is a non-partisan job which civilians in each community must eventually organize to meet. Since we probably will be attacked without warning in any future war, we must be ready to act if such an attack comes."

Mr. Hopley disclosed that a number of government organizations had already done some work toward meeting such a contingency along the following lines:

1. Development of means of protection against atomic and other modern weapons for those not in the immediate area of a blast.
2. Surveying of caves and other underground facilities throughout the nation.
3. Investigation of possibilities for dispersal of new plants, and feasibility of re-location of certain others already built.

Prospect for Oil
At least four major oil companies are prospecting for oil on the coast of North Carolina.

On Her Day Give Mother

one, several, or a complete set of

Presto COOKERS

MOTHER'S DAY, MAY 9th! This year, give her the gift that means more time for relaxation and for the enjoyment of her family. Give Mother one, several, or a complete, matched set of beautifully designed, easy, safe, wonderful-to-use PRESTO COOKERS... every homemaker's best kitchen helpers!

"Safeway guarantees to sell every food at the bottom price in this neighborhood"

This is SAFEWAY'S guarantee!

We guarantee you the bottom price in your shopping district—grade for grade and quality for quality—on every food store item

We mean this on every item...every day

To avoid wasting time, energy and gasoline in shopping around, our promise of the bottom price goes—for every food store item—not just one or two "specials" for each and every day you shop—not just for "special" days

It is Safeway's policy to always sell food at the lowest price. And to be sure of that, it is also Safeway's policy to meet any and every low food price in your neighborhood.

Here's how you can help us keep food prices low:

OUR METHOD of food distribution regularly assures lowest food prices at Safeway. But some day we may miss some "special." We want to give you the lowest prices on "specials" too.

Will you do this: If you see an item advertised in your neighborhood at a price lower than ours, bring a copy of the ad to your Safeway.

We will adjust our price on any item of like grade and quality to

meet any competitive price in the trading area of any Safeway store.

Remember, food prices must be low at Safeway. We bring foods in by direct routes, handle them efficiently, cut unnecessary costs. You help keep food distribution costs low by waiting on yourself, paying cash and carrying your purchases home.

By trading at Safeway you earn and are entitled to the lowest food prices.

News Column For The Veterans

Veteran-students who are enrolled in American colleges during the regular school year and want to take summer courses abroad under the G.I. Bill must meet certain requirements to qualify for such study.

The veteran first must obtain a letter of acceptance from the VA approved foreign school he plans to attend.

Next, he must secure a supplemental certificate of eligibility from his VA regional office.

The student then uses his letter of acceptance and his supplemental certificate as evidence in securing from the Department of State the necessary passports and visas authorizing his travel to the foreign school. The individual vet-

New Withholding Rates In Effect First Week In May

Thousands of California wage-earners buying U.S. Savings Bonds regularly through the payroll-savings plan today were urged to increase their purchases when the reduced income-tax schedule becomes effective the first week in May.

Roy L. Shurtleff, chairman of the Treasury Department's northern California payroll savings committee, declared that the extra "take home pay" will give workers an opportunity to add to their government savings, now totalling more than \$51-billion.

"These dollars, put away in a period of high prices and scarce markets, are doing triple-duty," Shurtleff said.

"First, they help to combat runaway inflation; second, they assure future economic security for the individual and, third, they contribute immeasurably to the important job of making and keeping America strong in this critical era of international uncertainties."

DON'T DAYDREAM

Day dreaming in traffic, whether walking or driving, can quickly become a nightmare of tragedy, says the California State Automobile Association. Keep alert—don't get hurt.

eran must pay all transportation costs.

Veterans Administration recommends that the summer study be taken in an approved school in a foreign country served by an Attaché of Veterans Affairs assigned by the Department of State. These countries include Great Britain, Mexico, France, Switzerland, Italy, Norway, Sweden, Denmark and Belgium.

The presence of these officials expedites payment of subsistence allowances, tuition and other allowable fees, VA explained. The records of veterans taking summer courses in these nations will not have to be transferred from the United States.

Records of veteran-students selecting any other country for summer study must be transferred to that nation. Such transfers take considerable time and often result in lengthy delays of subsistence and other payments, VA said.

Should the veteran decide to remain in the foreign school for the regular academic year, the Attaché for Veterans Affairs in that country will request transfer of his records from the United States at that time.

Veterans may obtain information on foreign schools approved by VA by writing their VA Regional Office or the Director of Registration and Research, Vocational Rehabilitation and Education Service, Veterans Administration, Washington 25, D. C.

Question: Will a disabled veteran's compensation be reduced because he goes into training and receives subsistence under the Vocational Rehabilitation Act (Public Law 16)?

Answer: No.

Recruiters Seek Larger Enlistment Of Army Nurses

Qualified registered nurses, graduates of accredited schools and between the ages of 21 and 45 years, are being offered a permanent life-time career in the U. S. Army and Air Forces under a new procurement program now being instituted by the Army Nurse Corps, Sixth Army Headquarters announced today.

A quota of 29,000 is sought for the Army Nurse Corps Reserve. The vast majority—25,000—will not be called for extended active duty, but will continue their civilian nursing pursuits without interruption. Object of the Reserve Corps is to provide a reservoir of nurses from which the Army might draw in the event of a national emergency. Now contacting all civilian hospitals and individual nurses in the bay area is Captain Helen F. Sanderson, Station Hospital, Fort Ord, California.

Captain Sanderson, herself an army nurse of seven years service, with overseas duty in Persia and Palestine, announced that "now, in peacetime, the majority of army nurses are on duty in army installations in the U. S., although about 500 are assigned to zones of occupation and are stationed in such places as Trieste, Germany, Austria, Japan and Korea, as well as with army troops in the Philippines, Panama, Puerto Rico, Guam, Okinawa, Hawaii and Alaska."

"At the rate of pay and allowances, any qualified nurse can now enjoy the double compensation of good pay and the feeling that she is contributing much to the health and welfare of her country's army and air force. Depending upon age, a nurse will be accepted for active duty in grades from second lieutenant to lieutenant colonel, with pay commensurate to male officers. Marriage is no deterrent."

Captain Sanderson has her office in the recruiting station at 428 Market street, and can be contacted between the hours of 8 and 5 daily, or in the evening if appointment is made by phone.

O.L.P.H. Mothers Schedule Whist For Next Tuesday

The public has been invited to attend a dessert whist party to be sponsored by Our Lady of Perpetual Help Mothers' Club next Tuesday, May 4, in the school auditorium.

Scheduled for 1:30 p.m., the whist session will be under the direction of Mrs. Mildred Sims. Mrs. Mildred Barone is in charge of dessert service.

CONVICT LAKE

Convict Lake, Mono county, is reported to have received its name from the part it played in a desperate prison break of 29 convicts from Nevada Penitentiary at Carson City in 1871. In a battle that took place at this lake, fourteen convicts and one member of the pursuing posse were killed.

Frog Jubilee Is Main Event For Centennial

A pioneer parade presenting all modes of transportation from the prospector's plodding burro to the plush-lined broughams of the Gay Nineties will roll through Frog Town Sunday, May 16, as one of the closing features of the Calaveras Centennial and Jumping Frog Jubilee.

The historic procession will start at 11 a.m. on the closing day of the three-day celebration.

Parade Chairman Herb Caton reported this week that the entry list to date was more than double that of any previous year and that the roster included almost every known vehicle used during the period from 1848 to the turn of the century.

A partial list includes the Concord coach, brougham, hackney runabouts, surrey, sulky, depot carryall, Conistoga wagon, lumber carts, hearse, peddlers cart, and wheelbarrow. Most of the vehicles will be horse drawn but twelve yoke of oxen have been engaged to pull some of the heavier pieces.

Many of the vehicles which have rusted in crumbling wagon sheds for more than half a century, are undergoing repairs for the procession.

Parade officials urged all marching groups, bands and music groups planning to enter floats to contact local parade leaders at once.

In sharp contrast to the parade will be the dirt track auto racing program Saturday afternoon, May 15, in which 24 of the fastest "big cars" in the west will compete in a seven-event speed meet. Bud Sennett of Los Angeles, American Racing Association champion last year expects to circle the local half mile oval in 25 seconds.

KEEP WINDSHIELD CLEAN

Telling a motorist to keep his windshield clean seems rather out of place, and it is possible that some might take offense at being advised to do so obvious a thing, declare officials of National Automobile Club's safety department. Yet, even a casual survey will prove that there still is a very definite need to remind the average car owner that unless his windshield is kept clean he reduces the value of all the safety factors that have been built into his car.

New Job's Daughter Bethel Instituted

Miss Mary Jacks has been chosen to serve as honored queen for the soon-to-be-instituted Job's Daughters bethel recently formed under the sponsorship of Bay View Masons and Eastern Stars.

Guardian council for the bethel will include Mrs. L. Yerzy, bethel guardian; Leo A. Yerzy, associate guardian; Mrs. Janet Young, guardian secretary; Mrs. Eleanor Bionetti, guardian treasurer, and Mrs. Violet Sizemore, director of music.

Other members of the charter administration will be Virginia Anderson, senior princess; Miriam Yerzy, junior princess; Betty Heidegger, guide, and Joan Plumley, marshal.

The bethel will be instituted in a 2 p.m. ceremony May 16 in Masonic Temple, 4705 Third street, San Francisco. Grand representatives, including the Grand Guardian, will be present for the event.

St. Michael's Ladies To Sponsor Luncheon, Whist Next Wednesday

A whist luncheon sponsored by the Catholic Ladies Aid Society of St. Michael's Parish, 32 Broadway street, will be held Wednesday May 5, at 12:30 p.m.

Chairman of the whist is Mrs. M. Dillon, with Mrs. G. Dold and Mrs. M. Dunne assisting. Mrs. J. Dunne and Mrs. N. Wallace are in charge of the luncheon.

QUICK DELIVERY ON THE World's Most Modern Tractor

4-WHEEL-DRIVE
UNIVERSAL
Jeep
WITH
THE NEW
HYDRAULIC LIFT

You raise or lower implements without effort by moving control lever beside the driver's seat.

Why limp along with old, worn-out equipment? Get going and keep going with a brand-new tractor—the famous 4-wheel-drive Universal 'Jeep'.

With tractor speeds of 2½ to 7 m.p.h., the 'Jeep' operates almost any implement—plows, harrows, discs, furrowers, mowers, etc.

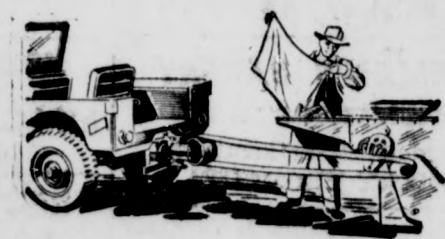

Thousands of farmers will testify that the powerful 'Jeep' gets the work done.

For a really modern unit, get a Universal 'Jeep'

equipped with the new hydraulic lift especially designed for the 'Jeep'. This field-tested lift handles standard 3-point-hitch implements and gives you driver's-seat control of your implement. And remember—only a 'Jeep' gives you highway speed that saves time transporting hydraulic implements.

We invite you to come in and see this modern farm equipment—or ask us for a demonstration on your own land.

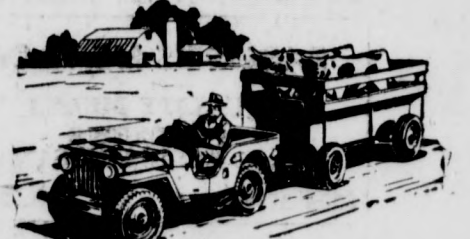

THE DEPENDABLE ALL-PURPOSE VEHICLE FOR FARMS AND RANCHES

With power take-off, the 'Jeep' delivers up to 30 h.p. on the belt to operate generators, pumps, hammer mills, silo blowers, etc.

The 'Jeep' is handy for hauling on or off the road—its powerful 4-wheel-drive traction takes it where ordinary vehicles cannot go.

With its wide operating range, the Universal 'Jeep' is perfect for towing trailers on the highway or in the field in any kind of weather.

WS FROM SCHOOLS

WOODROW WILSON

The students of the high seventh low eighth grades are interested in the study of volcanoes. The ancient Romans believed in the god of fire. They thought of him as a great blacksmith who had a shop and forge underground. When ashes, smoke or fire appeared out of Mount Vesuvius, they believed Vulcan was coming at his forge.

The most destructive eruption of Vesuvius was in the year 79 A.D. Pompeii and Herculaneum were buried. Eighteen hundred years passed before the ruins were discovered. The class is reading the story "The Last Days of Pompeii".

The students of the high and low fifth grades have been studying the volcanic island of Krakatau, in the Sunda Strait between Java and Sumatra. Until 1883 few people had ever heard of Krakatau. Though the island was of volcanic origin, there had not been an eruption for 200 years. In 1883 it began a series of eruptions. Explosions were heard for miles. About two thirds of the island was completely blown away. Where land had been before, there now was sea. The force of the explosions threw the ocean waves 50 feet high. The total area was estimated to be 36,000 acres. The volcanic dust produced an effect much like that of a volcanic eruption. Lamps were required during the day. Sunset skies were hazy for months in all parts of the world as a result of the volcanic dust.

The sixth grade is working on the Philippine Islands. They have a map of the islands and are shown the principal islands, and the principal battles of World War II which were fought there. Places like Tacloban, Lingayen, Bataan, and Manila were in the news only a few years back.

The fifth grade is studying about Louisiana Purchase. Thomas Jefferson bought this land, which became fourteen states, from France for \$15,000,000. Now each acre is worth far more than that.

The sixth grade is now studying measures of distance and time in arithmetic.

The fifth grade boys and girls had a good film yesterday. It was about the colonial children and showed how the people lived many years ago. They were especially interested as they are drawing pictures and making booklets about colonial life.

The boys and girls are learning the names of the states and each capital city. They can locate 21 states and name its respective capital city as of this week. We hope to successfully recognize all 48 states and to remember its capital.

The fourth grade enjoyed the records of the Ugly Duckling during their last music appreciation class. While the records were being played a strip film with the story of the Ugly Duckling was also shown. This made the lesson more enjoyable.

The children in the high third grade are working on a mural about coffee. The mural shows picking the coffee, taking it in the carts to the storehouse and drying the coffee.

The low and high third welcomed to their class two new boys. Their names are Angelo and Brian. The class hopes they enjoy their stay in Woodrow Wilson Elementary school.

CROCKER

Low and High Fifth

The students of the low and high fifth grades were shown lantern slides called "Life in Changing New England." They depicted people at work in the various industries carried on in the New England states.

High Sixth, Low Seventh
In our study of safety, we learned that more accidents occurred in the home than anywhere else. In 1947 there was a 3 per cent increase in the number of deaths from fires. There were 26,900 from falls alone. Home is not such a safe place after all!

High Seventh
Clyde W. Brown, formerly of Antioch, is the newest member of the high seventh grade at Crocker school. The following students spent the week end out of town with their parents: Leo Winn moved to Sacramento, Betty Miller to San Raphael, Harold Dimond to San Jose, and Robert Stone to Ben Lomond.

Members of Crocker's Softball Team A who are in the high seventh grade are Edward Haussler, Jack Phillips, and Harold Dimond.

The team was defeated by Jefferson Elementary on Monday, 7-4. B Team members include Leo Winn, Jimmy Herman, Charles Chambers, Billy Valentino, Robert Stone and Gary Anderson. Jefferson emerged the winner here too with a score of 8-7. Both teams, however, are determined to change defeat to victory in the future.

Low Eighth

A special assembly was held Tuesday during which Bob Seiler presented Teresa Delfino with a medal for winning the Crocker handball tournament.

Maryann Lund was a guest aboard the S.S. Lurline Saturday, April 10.

Crocker School students are in the midst of final preparation of exhibits for Public Schools Week. Each class will display students' work on the hall bulletin boards as well as in its respective classroom.

Modernizing?

See Chromite, the only wall tile made of zinc, with baked-on enamel colors. Chromite is installed in continuous sheets, without exposed joints or protruding trim. Ideal for kitchen, bath or shower, since Chromite will never leak or come loose.

Individual tiles (plastic or metal) also installed \$1.14 per ft. and up. For free estimate and monthly terms phone Mr. Gretsch, JU. 8-0428, or

Peacocks—Pooh! Fishes' Color Brighter

If a beauty contest were held among animals, fishes would swim off with some of the highest honors.

So writes Dr. Carl L. Hubbs, professor of biology in the University of California's Scripps Institution of Oceanography, author of a section on colors of fishes in the newest edition of the "Encyclopaedia Britannica."

Some fishes rival the most resplendent tropical birds in gorgeous color, says Dr. Hubbs. He cites as examples the brilliant blue "peacock tetra," a small South American fish prized by home aquarium fans, the flashy redbelly dace of American streams, and brightly silvery ocean bream.

No mere cosmetic whim, this coloring, however fine and fancy, serves as a protective mechanism of great survival value, since most fishes are colored no more brightly than their usual surroundings. Commonly greenish, olive, or brown, the colors of fishes range through most of the visible spectrum from red and orange through yellows and greens to blue, with orange-brown and purple mixtures common. Black is usually mixed in to produce dark shades, and white is often combined to yield pink and lavender. Black spots, bars, or streaks disrupt outlines, enabling fish to blend unobtrusively into their surroundings.

On Her Day Give Mother one, several, or a complete set of **Presto COOKERS**

MOTHER'S DAY, MAY 9th! This year, give her one, several, or a complete matched set of beautifully designed, easy, safe, wonderful-to-use Presto Cookers. It's the gift that will give Mother more time for relaxation and for the enjoyment of her family.
Cooking is a pleasure in kitchens equipped with these remarkable utensils. More nourishing, more appetizing foods can be prepared in about one-fourth of ordinary cooking time. And, Presto Cooking saves money on food and fuel bills.
Yes, this year, by all means, give Mother one, several, or a complete matched set of Presto Cookers. Millions of homemakers call them their "last-kitchen-helpers" for hi-speed cooking and safe, pressure canning.
Complete, illustrated instruction and recipe books for both cooking and canning are included with all Presto Cookers and NATIONAL PRESSURE COOKER-CANNERS, at no extra cost.

6-quart MEAT-MASTER \$16.45
4-quart COOK-MASTER Choice of two models \$14.45
3-quart VEGE-MASTER Choice of two models \$12.45
NATIONAL PRESSURE COOKER-CANNER 16-quart \$20.75 12-quart \$19.50

PRESTO COOKERS and NATIONAL PRESSURE COOKER-CANNERS are on sale at
